Staff Council Suggestion Box

The Rutgers University-Newark Staff Council proudly announces the creation of an online Suggestion Box.

As a dynamic and inclusive advisory board to the Chancellor, the Staff Council provides staff a voice; serves as a conduit to collect and review ideas or suggestions; and if appropriate, open a forum to promote discussion.

Suggestion topics should focus on enhancing the staff experience at RU-N, such as, improving communication, health and wellness and increased opportunities for leadership and professional development.

For more information and to provide your ideas and suggestions (name optional), please use this [link](#).
