IN NEWARK...

We hope you were able to attend some of September's festivities in the RU-Newark community and look forward to seeing you at October's events!

On 09/30, RU-N celebrated our staff, both those who never left and those returning to campus after 18+ months at the Golden Dome Athletic Center Tennis Courts. From cornhole to Connect 4, there were lots of activities, food, music and special guests for everyone to enjoy!

Halsey Street was shut down from Central Street to New Street for the Halsey Festival on September 30th! Showcasing some of Newark's finest, there were endless games, food, drinks, mascots, and arts!

Staff Council wants to thank you for persevering over the past year and a half.

Be on the lookout for a note from us via campus mail!
