

Spread the Love!

You Are Appreciated

Chat with the Chancellor

Thanks to your contributions with concerns and questions, RU-N Staff Council's [Chat with the Chancellor](#) event was a success. We look forward to next semester's event with Chancellor Cantor and the Executive Leadership team of RU-N.

In the meantime, questions and comments can always be submitted to our suggestion box, [click here!](#)

FlowerGrams 2023

Thank you to everyone who participated in our FlowerGram initiative this year. With your contributions, we were able to further support pantryRUN and give your fellow staff members a token of appreciation with almost 300 FlowerGrams distributed.

Thank you, and we hope to see you participate next year!

Celebrate Black History Month

RU-N Staff Council is proud to celebrate Black History Month with our campus community. A time to reflect on the past, as we envision an even more inclusive society in the future.

Share the Love & Give Back

Career Closet

The next Career Closet is Monday, February 20 just in time for the Career Fair on Wednesday, February 22. We're hoping to clear out the current closet to make way for the next set of donations from you! Donations can range from suits, to jackets/blazers, blouses, professional or button-down shirts, and professional footwear and accessories. Donations can be dropped off in Hill Hall 313 (top of the ramp and to the right) or picked up by contacting careers@newark.rutgers.edu. Last semester alone, enough donations were made to hold two Career Closet events and provide 290 students with over 1,000 articles of clothing!

RUPD Collection

Coming off of a successful Winter Blessings drive, we would like to remind you that RUPD collects year-round to continue to assist the community. Toiletries, socks and coats can be donated at any time to help those in need, and can be done so by contacting Lt. Jamie Hendrix, at jamie.hendrix@rutgers.edu.

WE **R** STAFF

Osasenaga J. Imayu, B.S., Counselor in Residence, Student Health—Newark

**Favorite Comfort Food?*

My favorite comfort food is any Nigerian and Jamaican food.

**Favorite animated character?*

Zuko, from Avatar: The Last Airbender!

**Inspiration?*

There's 3: Leonardo di ser Piero da Vinci, Dr. Toni Morrison & most importantly, Jesus Christ.

**Favorite thing about winter?*

My favorite thing about the winter is all the giant sweaters I get to wear!

Stacey Townsend, Head Coach, Women's Basketball

**Favorite Comfort Food?*

Smothered turkey wings/spaghetti/Oreo cookie cake balls!

**Favorite animated character?*

Pinocchio

**Inspiration?*

Lonnie Wright, helped save my life as a kid, and Joseph Townsend (my son), helped save my life as an adult.

**Favorite thing about winter?*

Finding a nice, warm, and cozy spot (preferably by a fireplace) to snuggle or just relax.

**Pets?*

I have two dogs, American Stafford Terriers (Tink and Shuri).

Did You Know?

Rutgers Environmental Health and Safety (REHS) specialists can provide departmental or individual training on safe lifting and handling of materials and computer workstation training, which addresses the placement and selection of the PC, mouse, keyboard, chair, & posture. Small adjustments may reduce stress, strain, and injury on the body.
